## **1. INTRODUCTION**

The boards of directors of Absa Group and Barclays are pleased to announce their agreement to combine the majority of Barclays African operations with Absa Group. The proposed transaction will be effected by way of an acquisition by Absa Group of Barclays Africa Limited, the holding company of the Barclays Africa Portfolio (defined below), for a consideration of 129,540,636 Absa Group ordinary shares, representing a value of R18.3 billion (the "Proposed Transaction"). As a result, Barclays stake in Absa Group will increase from 55.5% to 62.3%.

Under the Proposed Transaction, Absa Group will acquire 100% of the Barclays Africa Limited shares in issue. Barclays Africa Limited holds, or will, as at the effective date of the Proposed Transaction hold, all or a significant majority of the Barclays Africa Portfolio, which comprises Barclays ownership interests in banking operations in Botswana (67.8%), Ghana (100%), Kenya (68.5%), Mauritius (100%), Seychelles (99.8%), Tanzania (100%), Uganda (100%) and Zambia (100%) (the "Barclays Africa Portfolio") as well as the Barclays Africa Regional Office (100%) ("BARO").

The listings of Barclays Bank Kenya Limited (on the Nairobi Securities Exchange) and Barclays Bank Botswana Limited (on the Botswana Stock Exchange) will continue to be maintained as only the shares held by Barclays in those entities will be transferred in the Proposed Transaction. The Proposed Transaction will not impact the number of shares held by the minorities in Barclays Bank Kenya Limited and Barclays Bank Botswana Limited.

Absa Group will continue to own 100% of Absa Bank Limited, 95.8% of Barclays Bank of Mozambique, and 55% of the National Bank of Commerce in Tanzania. The scope of the Proposed Transaction excludes Barclays operations in Egypt and Zimbabwe.

To reflect the enlarged portfolio and pan-African focus of the business, it is intended that "Absa Group Limited" will be renamed "Barclays Africa Group Limited" and the composition of the board of directors of Absa Group will be reconstituted accordingly.

The Proposed Transaction is expected to be completed in the first half of 2013, subject to fulfilment of the conditions precedent (set out below).

## **2. STRATEGIC RATIONALE**

The Proposed Transaction represents a unique opportunity to further Absa Group's strategic ambitions in the rest of Africa by combining its operations with a leading sub-Saharan African franchise operating across eight countries. This will accelerate Barclays and Absa Group's "One Bank in Africa" strategy, for the benefit of shareholders, customers, colleagues and communities. The Proposed Transaction will diversify Absa Group's earnings geographically. Investors will gain exposure to several attractive countries, where high forecast GDP growth and under-penetrated credit, capital and insurance markets should produce strong growth in their banking-related revenue pools. The combined operations will also be able to leverage an integrated operating model across the continent, while enhancing collaboration on product innovation.

The Proposed Transaction is an important step in realising the shared goal to become the "Go-To" bank in Africa by making customers' lives much easier and is significant in aligning the integrated operating model across sub-Saharan Africa. It will accelerate plans to expand corporate banking, market activities and bancassurance in Africa. It is also expected to provide benefits to the individual Barclays African operations through leveraging strong

product capabilities across expanded operations and is expected to facilitate the sharing of expertise between, and further development of skills within, the Barclays Africa Portfolio.

In 2011, Barclays and Absa Group commenced operational integration of Absa Group and the Barclays Africa operations, which included relocating the Dubai regional office of Barclays to Johannesburg and aligning the management structure. The consolidated ownership structure is expected to align the oversight and strategic direction of the African businesses and facilitate the pursuit of a common strategy for growth and expansion.

Following the Proposed Transaction, investors will have a liquid entry point into a leading sub-Saharan African financial group.

### **3. OVERVIEW OF BARCLAYS AFRICA PORTFOLIO**

The Barclays Africa Portfolio is a leading sub-Saharan African franchise which has over 400 branches and 840 ATMs, as well as mobile phone and internet banking platforms. It employs approximately 9,100 employees.

This footprint spans a diverse set of African countries that have exhibited strong growth in the past decade, supported by economic reforms. Africa, which remains under-banked relative to developed and many emerging markets, represents a significant opportunity for which the Barclays Africa Portfolio is well-positioned.

Each business within the Barclays Africa Portfolio is led by an experienced in country management team and board of directors. In addition, the regional team in Johannesburg (within BARO) provides management oversight and functional expertise.

The Barclays Africa Portfolio and BARO, generated attributable net profit after tax of R912 million for the six months to 30 June 2012 (calculated based on an aggregation of the Barclays Africa Portfolio and BARO) (R1,544 million for the 12 months to 31 December 2011), with returns on average equity of 22.3% for the six months to 30 June 2012 (20.5% for the 12 months to 31 December 2011). Revenues of the Barclays Africa Portfolio for the six months to 30 June 2012 were R3,874 million (R6,845 million for the 12 months to 31 December 2011). As at 30 June 2012, the Barclays Africa Portfolio had total assets, net customer loans and customer deposits of R81.6 billion, R38.3 billion and R60.5 billion, respectively (R82.4 billion, R38.2 billion and R61.9 billion for total assets, net customer loans and customer deposits respectively as at 31 December 2011).

The Barclays Africa Portfolio is strongly capitalised and will have capital well in excess of minimum in country requirements. The total level of capitalisation of the Barclays Africa Portfolio will be sufficient to comply with the capital requirements of the South African Reserve Bank ("SARB"). The Barclays Africa Portfolio operates within a sound control environment that is very familiar to Absa Group, as part of the Barclays group.

### **4. TERMS OF THE PROPOSED TRANSACTION**

The Proposed Transaction will be implemented in accordance with all applicable requirements of the Companies Act, 71 of 2008 as amended ("Companies Act"), the Banks Act, 94 of 1990, as amended (the "Banks Act"), and the JSE Listings Requirements.

The SARB will continue to regulate Absa Group (to be renamed "Barclays Africa Group Limited") as a bank controlling company after the Proposed Transaction. Individual businesses within the combined business will continue to be regulated by the relevant country

regulatory authorities, while Barclays will continue to be subject to the regulatory authorities of the United Kingdom.

i) Overview and Consideration of the Proposed Transaction

The Proposed Transaction will be effected by (i) transferring Barclays ownership interests in the various companies comprising the Barclays Africa Portfolio as well as BARO (the "Target Companies"), to Barclays Africa Limited and (ii) Absa Group acquiring 100% of the issued shares in Barclays Africa Limited in consideration for the issue of Absa Group ordinary shares to Barclays (through its wholly-owned subsidiary, Barclays Africa Group Holdings Limited).

The parties have agreed to issue 129,540,636 ordinary shares in the issued share capital of Absa Group ("Consideration Shares") to Barclays for 100% of the issued shares in Barclays Africa Limited. This implies a value of R18.3 billion for Barclays Africa Limited and increases Barclays ownership of Absa Group from 55.5% to 62.3%.

It is a condition precedent to the Proposed Transaction that at least the Target Companies in Botswana, Ghana, Kenya and Mauritius – which account for approximately 80% of the Barclays Africa Portfolio based on total assets – and BARO (the "First Closing Target Companies") are transferred to Barclays Africa Limited. The shares in Barclays Africa Limited will be transferred to Absa Group after all the conditions precedent relating to the transfer of the First Closing Target Companies into Barclays Africa Limited are fulfilled (or waived, if applicable) (the "First Closing Date"). The First Closing Long Stop Date is 6 June 2013 (or such later date as the parties may agree, provided that either Absa Group or Barclays may extend such date in order to obtain any outstanding regulatory approval, such extension not being longer than 90 days) (the "First Closing Long Stop Date").

On the First Closing Date, Absa Group will issue:

- to Barclays (or its wholly-owned subsidiary, Barclays Africa Group Holdings Limited) such number of Consideration Shares as is equivalent to the value of the Target Companies that have been transferred into Barclays Africa Limited, together with an adjustment payment equal to an amount of gross dividend which Barclays (or its wholly-owned subsidiary, Barclays Africa Group Holdings Limited) would have received had it held such shares as at 31 December 2012; and

- to a trust constituted in terms of section 40(5) of the Companies Act (the "Trust"), the remainder of the Consideration Shares (the "Subsequent Consideration Shares"). The Subsequent Consideration Shares will not be listed and will be non-voting until transferred from the Trust to Barclays (or its wholly-owned subsidiary, Barclays Africa Group Holdings Limited) in the future, together with an adjustment payment equal to an amount of gross dividend which the Trust would have received had it held such shares as at 31 December 2012.

The remaining Target Companies ("Subsequent Closing Target Companies") that have not transferred to Barclays Africa Limited by the First Closing Date will become the subject of subsequent closings, as and when they are transferred into Barclays Africa Limited. The Subsequent Closing Long Stop Date is 6 September 2013 (or such later date as the parties may agree, provided that either Absa Group or Barclays may extend such date in order to obtain any outstanding regulatory approval, such extension not being longer than 90 days) (the "Subsequent Closing Long Stop Date").

In the event that any of the Subsequent Closing Target Companies do not transfer into Barclays Africa Limited on or before the Subsequent Closing Long Stop Date (and therefore do not form part of the Proposed Transaction), then the number of Subsequent Consideration Shares equivalent to the value of each such Subsequent Closing Target Company shall be returned to Absa Group by the Trust and shall be cancelled.

ii) Price adjustment mechanism

The consideration for the Proposed Transaction is based on an assumption that the attributable net asset value of the Barclays African Portfolio will be at least R10.6 billion as at 31 December 2012 which will be adjusted for any Target Companies that do not transfer by the Subsequent Closing Long Stop Date.

If there is a shortfall, Barclays will pay to Absa Group on a Rand for Rand basis the full shortfall in the actual minimum attributable net asset value if it exceeds R211 million. Barclays will also compensate Absa Group for any aggregate net pension scheme deficit.

Between 31 December 2012, and the First Closing Long Stop Date and the Subsequent Closing Long Stop Date, the parties will compensate each other in cash for any typical pre-defined leakage events or capital injections in order to preserve the value in the businesses.

The listings of Barclays Bank Kenya Limited (on the Nairobi Securities Exchange) and Barclays Bank Botswana Limited (on the Botswana Stock Exchange) will not be affected by the Proposed Transaction as only the shares held by Barclays in those entities will be transferred in the Proposed Transaction. The Proposed Transaction will not impact the number of shares held by the minorities in Barclays Bank Kenya Limited and Barclays Bank Botswana Limited.

The Proposed Transaction is categorised as a Category 2 transaction and a related party transaction in terms of the JSE Listings Requirements by virtue of Barclays 55.5% shareholding in Absa Group.

## 5. CONDITIONS PRECEDENT TO THE PROPOSED TRANSACTION

The Proposed Transaction will be subject, *inter alia*, to the fulfilment or, where appropriate, waiver of the following conditions precedent:

- i) regulatory approvals in respect of the transfer of the First Closing Target Companies being obtained;
- ii) approval by Absa Group shareholders, excluding Barclays, of the Proposed Transaction including the ordinary resolution granting authority to implement the Proposed Transaction (50% + 1 vote of voting rights required);
- iii) approval by Absa Group shareholders, including Barclays, of the special resolution granting authority to allot and issue ordinary shares in Absa Group to Barclays (through its wholly-owned subsidiary, Barclays Africa Group Holdings Limited) and the Trust in terms of section 41(1) of the Companies Act (at least 75% of voting rights required);
- iv) approval by Absa Group shareholders, including Barclays, of the change of name of Absa Group to "Barclays Africa Group Limited" (at least 75% of voting rights required);

- v) approval from the Minister of Finance and the Registrar of Banks in South Africa and the Financial Surveillance Department of the SARB; and
- vi) approval by the JSE of the documentation required to give effect to the Proposed Transaction and for the listing of the relevant Consideration Shares at the First and Subsequent Closing Dates as applicable, (the “Conditions Precedent”).

If the above Conditions Precedent are not fulfilled (or waived, if applicable) on or before the First Closing Long Stop Date, the Proposed Transaction may be terminated by either party.

## **6. RENAMING AND BRANDING**

As part of the Proposed Transaction, it is the intention to change the name of “Absa Group Limited” to “Barclays Africa Group Limited”.

## **7. ABSA GROUP BOARD RECONSTITUTION**

In line with the pan-African nature of the Proposed Transaction, it is the intention to reconstitute the board of directors of Absa Group, subject to the necessary regulatory approvals and in accordance with the King Code of Governance Principles and the King Code of Governance for South Africa (King III), the Companies Act, the Banks Act and the JSE Listings Requirements.

## **8. OPINION AND RECOMMENDATIONS OF THE BOARD OF ABSA GROUP**

As required in terms of Section 10.4(f) of the JSE Listings Requirements, the board is required to obtain an opinion from an independent expert acceptable to the JSE regarding the fairness of the Proposed Transaction to the shareholders. The board has appointed Deutsche Securities (SA) Proprietary Limited ("Deutsche Bank") to provide an opinion as to the whether the terms and conditions of the Proposed Transaction are fair to shareholders. Subject to the conditions set out in Deutsche Bank's opinion letter that will be included in the circular to shareholders, Deutsche Bank has provided an opinion that the terms and conditions of the transaction are fair to the shareholders.

The board of Absa Group (excluding Antony Jenkins, Ivan Ritossa and Robert Le Blanc being directors nominated by Barclays) has unanimously approved the Proposed Transaction.
